Evening—Dinner Dance, Nittany Lion Inn.

Saturday, September 10th

Morning—Business Session

Afternoon—Golf, Tennis Finals.

Evening—Banquet. Dinner party for the ladies.

Entertainment Features

The smoker Wednesday evening will be a surprising affair and arrangements have been completed for those essentials which go to make up a real old-fashioned time, full of conversation, etc. Arrive early and get a good start on the other fellow.

There will be two Golf tournaments, match play and medal handicap and also a Tennis tournament.

The basket picnic Thursday afternoon is a fourteen mile auto trip through the beautiful Seven Mountains and the Bear Meadows to the Penn State Nature Study Camp. Professor George Green, head of the Nature school will be with us and lead a short hike from there over the Alan Seeger trail where the big trees grow (the Oregon boys will smile) and huckleberries grow on trees.

The dinner-dance Friday evening will be held in the hotel or the new Recreation hall which is located only a hundred yards from the hotel. It will be of interest to many to know that Brother Fred Waring started his orchestra in the Phi Lambda chapter at Penn State and this year is the 10th anniversary of his class. Also "Buss" Seeds who is Fred's manager, and Fred Buck, an original member of the orchestra are brothers. Depending upon the arrangement of an existing contract, there is a good possibility of Fred playing for us at the dinner-dance. We are sorry that it is impossible to state definitely that this is true. If so, then this affair will absolutely be a grand success and a fitting "home-coming" for Fred Waring. Dress will be "summer-formal" so come in your white flannels, "tuxs", shirt sleeves or what have you. In fact the style of dress at all times will be as you prefer.

The Banquet Saturday evening at the Nittany Lion will be the usual crowning event of the program, with a minimum of speaking and a maximum of eating. Dress informal.

There will be an informal reception for the ladies Wednesday evening at the hotel.

Economical Cost

Your committee has practically eliminated all overhead cost for this Convention and therefore urgently requests that all those expecting to attend send in the enclosed blank.

Special rates have been obtained through the generous co-operation of the hotel management and the college authorities. A strip ticket has been arranged for the convenience of all and a purchaser of same will have no other expense while in State College. It will include four nights' lodging, dinner-dance, banquet, theatre party, picnic, golf green fees, everything. The cost is only \$25.00. For those planning to attend only part time, the cost will be as follows: Hotel room—\$4.00 per day; breakfast, 50c; lunch, \$1.00; dinner, \$1.50; golf green fees, \$1.50 per day; dinner-dance, \$7.00; banquet, \$5.00; picnic, \$1.50; smoker—free; transportation to picnic—free; theatre party, 50c. The hotel will accommodate one hundred and fifty and the remainder will be housed in a nearby modern new school dormitory. You should make your reservations early. It is far more economical to purchase a strip ticket.

A special strip ticket has been arranged for the ladies and will cost \$21.00.

Those expecting to attend should fill in the enclosed blank at once and mail to John Hunter, Jr., 3601 Fifth Avenue, Altoona, Pa., thereby assuring himself personal attention.
